What is MedAccred?
MedAccred is an industry-managed supply chain oversight program which identifies and verifies compliance to critical manufacturing process requirements. Leveraging their considerable collective experience, subject matter experts have collaborated to create a deep dive technical audit system which provides exceptional supply chain oversight.

Why MedAccred?
• To improve the quality of products and most importantly patient safety
• The need to reach through the sub-tiers in the complex global critical process supply chain
• To improve the reliability of the supply chain

MedAccred Printed Circuit Board Assembly Accreditation
The MedAccred Printed Circuit Board Assembly audit assesses a supplier’s ability to consistently manufacture components that comply to applicable technical specifications and customer requirements. A MedAccred audit is conducted by a subject matter expert and verifies that an accredited supplier has the:

- Process Capability
- Applicable Equipment
- Controls and Monitors
- Qualified personnel
- Process validation
- Sub-tier controls

Printed Circuit Board Assembly Audit Scopes
- SMT
- TH
- Soldering
- Cleanroom
- Coating and Encapsulation
- Testing

Benefits to Participation
- Improves quality of products
- Reduces scrap and re-work
- Exposure to participating OEMs and potential to expand business

MedAccred Subscribers
- Bausch Health
- Baxter Healthcare
- BD
- Boston Scientific
- Edwards Lifesciences
- Johnson & Johnson
- Medtronic
- Philips
- Roche Diagnostics
- Stryker

Subscribers fund MedAccred, determine audit criteria, select auditors, have full access to audit findings, and determine who is granted MedAccred Accreditation.

Audit Quick Facts:
- Audit Length: 4 days
- Audit Frequency: Annual
- Audit Prerequisites ISO 13485, ISO 9001, ISO/TS/IATF TS16949, or AS/EN/JISQ 9100
- Other Available MedAccred Accreditations: Cable & Wire Harness, Heat Treating, Plastics Injection Molding, Plastics Extrusion, Plastics Mechanical Assembly Printed Board (Bare Board), Sterilization, Sterile Device Packaging, Welding
