STERILIZATION ACCREDITATION

What is MedAccred?
MedAccred is an industry-managed supply chain oversight program which identifies and verifies compliance to critical manufacturing process requirements. Leveraging their considerable collective experience, subject matter experts have collaborated to create a deep dive technical audit system which provides exceptional supply chain oversight.

Why MedAccred?
• To improve the quality of products and most importantly patient safety
• The need to reach through the sub-tiers in the complex global critical process supply chain
• To improve the reliability of the supply chain

MedAccred Sterilization Accreditation
The MedAccred Sterilization audit assesses a supplier’s ability to consistently manufacture components that comply to applicable technical specifications and customer requirements. A MedAccred audit is conducted by a subject matter expert and verifies that an accredited supplier has the:
• Process Capability
