STERILE DEVICE PACKAGING ACCREDITATION

What is MedAccred?
MedAccred is an industry-managed supply chain oversight program which identifies and verifies compliance to critical manufacturing process requirements. Leveraging their considerable collective experience, subject matter experts have collaborated to create a deep dive technical audit system which provides exceptional supply chain oversight.

Why MedAccred?
• To improve the quality of products and most importantly patient safety
• The need to reach through the sub-tiers in the complex global critical process supply chain
• To improve the reliability of the supply chain

MedAccred Sterile Device Packaging Accreditation
